Jose,

We are very close. The majority of your changes look fine, however there are several revisions that I would suggest. They are in redline format in the attached two documents. As in the past, I have provided citations to the CAFOs from where I pulled the language. Let me know your thoughts.

Todd,
My apologies, have not had a chance to return your call but I really wanted to first get these cleaned up versions of the documents and then perhaps we can talk. I am working at home through Monday and can be reached on my cell although I am out after 2:30 today.
Thanks,
